How to choose the right awning for you? Here are some practical tips to help you make the right choice.

- Check if there are dedicated Fiamma solutions for your vehicle (Ducato, VW T5 & T6, Stellantis)
- Choose the awning according to your vehicle, its characteristics and your needs
- Check the usable space available for mounting the awning (wall or roof)
- Choose the bracket for your vehicle (you can find them in the special section of the catalogue from page 44)
